Now that you’ve created an AMAZING and CREATIVE house, let’s have some more FUN!

**TAKE SOME MEASUREMENTS**

- MEASURE the PERIMETER and AREA of your house.
  - PERIMETER: ________  AREA: ________

**CREATE YOUR HOUSE’S LANDSCAPE**

- THINK about what the environment around your house looks like.
  - CREATE an interesting landscape for your house.

**WHO LIVES IN YOUR HOUSE?**

- WRITE a creative story about a person (or creature) who lives in your house.
  - DRAW a picture of the person (or creature).

**BUILD A NEIGHBORHOOD**

Using 2D & 3D shapes, BUILD your own neighborhood.
